

RoHS and WEEE Marking of SafeNet's Sentinel Products

- RoHS compliance is indicated at the product and packaging levels.
 - Example of RoHS labeling at product level...

- Examples of RoHS labeling at packaging level...

- WEEE compliance is indicated at the product (where feasible) and packaging levels.
 - Example of WEEE labeling at product level...(note that the USB tokens are too small for the WEEE label since the label has a minimum size requirement)

- Examples of WEEE labeling at packaging level (shipping box and packing label)...
